

BOOK LAUNCH

You are invited to meet the authors Joan Dillon and Nita C Lester at the launch of their new book.

This text on growing natives, annuals, bulbs, bromeliads, roses, orchids, vegetables, succulents, camellias, perennials and more features a fully illustrated catalogue of over 450 species.

It includes advice on soil types, flowering seasons, preferred locations, watering requirements, pruning and more.

Numerous local gardeners share their wisdom and the knowledge that they have gathered over many years of gardening. The full colour images have all been donated.

Meet some of the specialist authors and photographers.

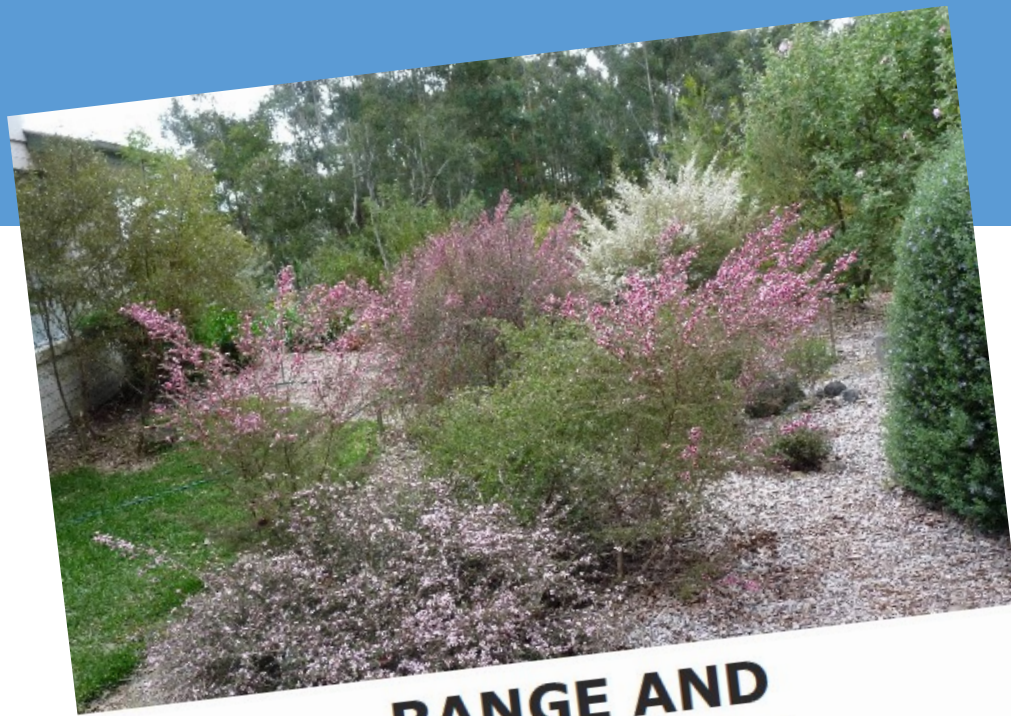

Three venues:

Mapleton Library and Community Centre - Wednesday 26 April at 6pm

Rosetta Books Maleny - Friday 28 April at 5pm

Montville Village Hall - Wednesday 3 May at 6pm

ALL PROFITS DONATED TO THE COMMUNITY via the Montville Village Association and the Mapleton Library and Community centre

RANGE AND HINTERLAND GARDENING

Nita C Lester and Joan Dillon
