

# **MAPLETON LIBRARY AND COMMUNITY CENTRE**

## **Mission Statement**

It is the mission of the Mapleton Library and Community Centre to support the informational, educational and recreational needs of the local community by providing resources and services that meet the community needs in a courteous, efficient and responsible manner. Further, the Library Centre promotes an equitable and supportive environment which will encourage reading, lifelong learning and cultural enrichment for all volunteers, members and community residents.

To achieve this outcome, the Library Centre provides a cooperative, supportive and harmonious Library Centre environment where valued volunteers bring expertise in developing collections and infrastructure and demonstrate a commitment to providing service and resources that keep pace with the future within the policies as agreed and applied by the Library Centre management.
